

## Refund Policy

**Team Managers:** Team manager's are required to put down a \$100 deposit when signing a team up in a league. The \$100.00 deposit is refunded in full once the minimum number of team members (7) have signed up and paid.

**Team Players:** A player's registration will be refunded in full if the specific league is cancelled by The Soccer Lot or other circumstances arise that are not in the player's control but are due to The Soccer Lot's decisions. If a player registers for a league but has to drop before the start of the season, only 75% of the registration will be refunded. No refunds will be granted if a player opts out after the league has started including drops because of injuries or has been ejected due to disciplinary reasons.

Each league has one rain out week included in the schedule. The Soccer Lot will do everything to rescheduled rain out games to accommodate all players involved. If a league has more than four games cancelled within the session that cannot be rescheduled, players will receive a 20% discount on registration toward another league.

**Free Agents:** A free agent's registration will be refunded in full if he/she cannot be place on a team before the league registration closes. If a free agent registers for a league but has to drop before the start of the season, only 75% of the registration will be refunded. No refunds will be granted if a player opts out after the league has started including drops because of injuries or has been ejected due to disciplinary reasons.

All refunds will be submitted via the original form of payment. Any requests for refunds can be directed to [info@thesoccerlot.com](mailto:info@thesoccerlot.com)

Effective Date: 1 January 2013
